

## Drivalia is green mobility partner of Pinacoteca Agnelli in connection with the Strike exhibition

PRESS RELEASE

Turin, 3 March 2023

**Drivalia's** collaboration with **Pinacoteca Agnelli** continues in the spirit of environmental sustainability. The FCA Bank Group's rental, leasing and mobility company continues to support the Turin art museum as green mobility partner, including in connection with Strike, **an original solo exhibition dedicated to Lee Lozano** (1930-1999), a pioneering artist of the 1960s New York scene

Strike will open to the public from **Wednesday, March 8, to Sunday, July 23**, at the Pinacoteca. The exhibition is consistent with the institution's renewed contemporary mission to bring to light previously unseen artistic perspectives in relation to the historical and symbolic legacy of the exhibition venue and its industrial past.

Long active in sponsoring cultural and artistic initiatives, Drivalia will support Pinacoteca Agnelli by providing two **electric New Fiat 500s from its fleet**, thus promoting an increasingly sustainable mobility.

### **FCA Bank**

*FCA Bank is a bank engaging mainly in car and mobility financing. FCA Bank S.p.A. provides financial products to support the sales of prestigious car brands in Italy and in Europe. Loan, lease and rental and mobility financing products provided by FCA Bank are specifically designed for the sale networks, for private customers and corporate fleets. FCA Bank has a presence in 17 European countries and in Morocco, directly or through branches. At June 30, 2022 FCA Bank had a loan and lease portfolio of approximately €25.8 billion.*

*Through Drivalia, which specializes in rental and subscription solutions, the Bank provides a comprehensive and innovative system of mobility services. Drivalia launched CarCloud, the first car subscription service in Italy. In June 2019, the company launched the Mobility Stores, physical outlets where customers can access all of the company's mobility services. With the opening of the first totally electrified Mobility Store in Torino Caselle airport in 2020, followed by many others, Drivalia has become a key operator also in sustainable mobility. In fact, thanks to the over 1,600 charging stations installed in all the Stores, Drivalia has Italy's largest private electrified network. In 2022 and 2023, the electrification project will continue also in the European countries in which Drivalia operates.*
